

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF DEMA GAS)	CASE NO. 89-100-F
COMPANY, INC.)	

O R D E R

On July 7, 1989, the Commission issued its Order in Case No. 89-100 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On May 24, 1991, Dema Gas Company, Inc. ("Dema") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Brushy Gap Coal and Gas, Inc. ("Brushy Gap"), effective May 1, 1991. Dema submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Dema's notice of May 24, 1991 set out certain revisions in rates which Dema proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$999 or 25.25 cents per Mcf.

2. Kentucky West Virginia Gas Company ("Ky. West") filed with the Federal Energy Regulatory Commission to decrease its rates effective May 1, 1991. The rates charged by Brushy Gap to Dema track the rates of Ky. West.

3. The adjustment in Dema's rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 89-100 dated July 7, 1989 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after the May 1, 1991.

4. Dema should file with this Commission the amount of any overcollections received from May 1, 1991 to the date the approved rates are implemented, along with a refund plan.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are hereby authorized effective with gas supplied on and after May 1, 1991.

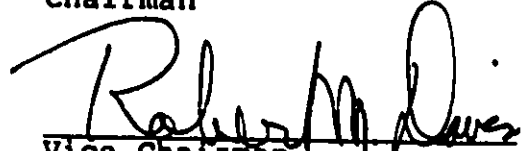

2. Within 30 days of the date of this Order, Dema shall file with this Commission its revised tariffs setting out the rates authorized herein.

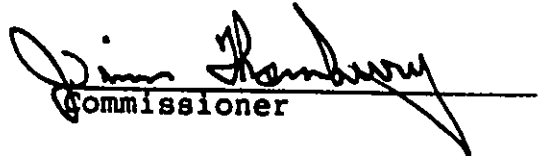

3. Within 30 days of the date of this Order, Dema shall file the amount of any excess revenues collected, along with a refund plan.
